West View Park. Classic rides like the Tumble Bug, Miniature Train, and Blue Streak wooden roller coaster are all running this summer.

One of the greatest aspects of Conneaut Lake Park is perhaps the crystal clear waters of the lake it is situated upon. Conneaut Lake is Pennsylvania's largest natural lake where guests can go fishing, sailing, boating, or swimming. The boardwalk overlooking the water offers ample seating for those that enjoy the sights and sounds of the lake. In addition, the park again offers real paddlewheel boat cruises - a more than century-old tradition on the lake. With the Paddlewheel Boat and classic amusement park overlooking the lake, Conneaut Lake Park truly is a turn-of-the-century enchantment. And don't worry, Conneaut Lake Park is still a FREE admission park. Those that don't wish to ride everything can still purchase individual ride tickets. Grandma and Grandpa can choose to ride the miniature train and carousel without creating a dent in the pocketbook. Because of our on-site, affordable, lakefront Hotel Conneaut and Camperland, Conneaut Lake Park can be a complete family vacation. During the weekend of Greater Pittsburgh/Southwestern Pennsylvania Community day, the Jimmy Dorsey Orchestra will perform in the historic Dreamland Ballroom just like the Big Bands used to at Danceland in West View Park and the Pavilion at Kennywood.

And, now, more than ever before, Conneaut Lake Park is one of the most affordable entertainment values available. A Conneaut Lake Park vacation is a "One Tank Trip" that's so affordable and so close by. Because of the Hotel Conneaut and Camperland, both located right on the amusement park grounds, parents will find that the kids can come and go all day. Those that thought a vacation was out of the budget for this summer may want to rethink.

Don't miss out on some great savings and some affordable summer vacation fun. Come back to Conneaut Lake Park. We're still here! Residents of the Greater Pittsburgh/Southwestern Pennsylvania region are invited to your Community Day at Conneaut Lake Park!
