AKRON/CANTON COMMUNITY BOGO DAY **AT CONNEAUT LAKE PARK**

Conneaut Lake, Pennsylvania, July 30, 2006 – Conneaut Lake Park is inviting the people of the Akron/Canton Area to Conneaut Lake Park for a Community Day. Residents of this area will receive an incredible Buy One Get One FREE deal on Ride-A-Rama Ride and Slide Passes on August 18, 2006. We're aiming to rekindle a more than century-old relationship that began in 1892 with the development of Exposition Park.

This is our way of saying "Thank You" to the people of the Akron/Canton Area for being dedicated to the preservation of Conneaut Lake Park as a traditional family amusement park and resort. As a charitable, not-for-profit, public trust, Conneaut Lake Park is here for the people. For more than a century, Conneaut Lake was a haven for vacationers seeking relaxation and escapism from high energy life. Conneaut Lake Park, with its historic Hotel Conneaut, vintage amusement rides, beautiful lake, and tree-lined midways still retains the atmosphere and charm that has lured guests for over a century.

Conneaut Lake Park is a classic amusement park and resort that also retains the charm and flavor of Eastern Ohio parks that are long gone. With its quaint atmosphere, Conneaut Lake Park is still operated in the same format as former parks like Buckeye Lake, Chippewa Lake, Euclid Beach, Meyers Lake, Puritas Springs, Idora Park, and Nelson Ledge Park. Classic

-more-

rides like the Tumble Bug, Miniature Train, and Blue Streak wooden roller coaster are all running this summer.

One of the greatest aspects of Conneaut Lake Park is perhaps the crystal clear waters of the lake it is situated upon. Conneaut Lake is Pennsylvania's largest natural lake where guests can go fishing, sailing, boating, or swimming. The boardwalk overlooking the water offers ample seating for those that enjoy the sights and sounds of the lake. In addition, the park again offers real paddlewheel boat cruises - a more than century-old tradition on the lake. With the Paddlewheel Boat and classic amusement park overlooking the lake, Conneaut Lake Park truly is a turn-of-the-century enchantment.

And don't worry, Conneaut Lake Park is still a FREE admission park. Those that don't wish to ride everything can still purchase individual ride tickets. Grandma and Grandpa can choose to ride the miniature train and carousel without creating a dent in the pocketbook. Because of our on-site, affordable, lakefront Hotel Conneaut and Camperland, Conneaut Lake Park can be a complete family vacation.

During the Akron/Canton Area Community Day, the usual Friday evening classic car cruise-in will take place on the festival lawn. This car cruise-in takes place right in the middle of the amusement park and on the lakefront. There is no fee to enter a car or to enjoy the cars.

And, now, more than ever before, Conneaut Lake Park is one of the most affordable entertainment values available. A Conneaut Lake Park vacation is a "One Tank Trip" that's so affordable and so close by. Because of the Hotel Conneaut and Camperland, both located right on the amusement park grounds, parents will find that the kids can come and go all day. Those that thought a vacation was out of the budget for this summer may want to rethink.

Don't miss out on some great savings and some affordable summer vacation fun. Come back to Conneaut Lake Park. We're still here! Residents of the Akron/Canton Area are invited to your Community Day at Conneaut Lake Park!
